Honorable George M. Shultz  
Secretary of State  
U.S. Department of State  
2201 C Street, N.W.  
Washington, D.C. 20520

Dear Secretary Shultz:

Particular concern is shown for a citizen of the United States, Mr. Raul Wallenberg, who has been incarcerated by the government of the Union of Soviet Socialist Republics (U.S.S.R.) since 1944.

In a letter I recently received from the Reverend Richard Anderson, who was to head a tour of several European nations, including the U.S.S.R., commencing August 1, 1983, it is apparent that Mr. Wallenberg is being held against his will and for dubious reasons. I am most interested in the United States' efforts to secure for Mr. Wallenberg the right to return either to this country or to Sweden, the latter being a nation which also extends the privileges of citizenship to him.

During your next meeting with Soviet Ambassador Anatoly Dobrynin, I hope you will engage him on this grave matter of individual human rights, which are of paramount importance to citizens of the United States and to me.

With warmest personal regards,

Sincerely,

GLENN M. ANDERSON  
Member of Congress
